

Serbia 2 China

- Innovation Digital Roadshow -

Why?

Pitch your project to local China delegations

The end of the program will feature an organized roadshow with local government, established funding institutions and partners, as well as nihub's own investment board. All participating projects will pitch and answer a quick Q&A, of which three winners will be selected from the judge's panel.

What you can get?

The Top three winners will get nihub's Scale-Up Service Package including the following:

- Free Company Registration
- 1 Year Office Space @ nispace - Hangzhou
- Free Financial Advisory (Operations Fee)
- The Top three winners will have covered flight tickets to China

What else you can get?

Opportunity to explore the Chinese market and get in touch with the main stakeholders, evaluate your project in China and see what other opportunities you can find.

For more information click [here](#) | Any Questions? Send email to novak@nihub.com

Who?

Who can apply?

- 1) Must have a registered company in Serbia or substantial project concept with clearly set technological or financial milestones and Chinese market expansion strategy.
- 2) Technology enterprises (AI / IOT / Big Data / life and health / 5G / AgroTech and other high technology fields)

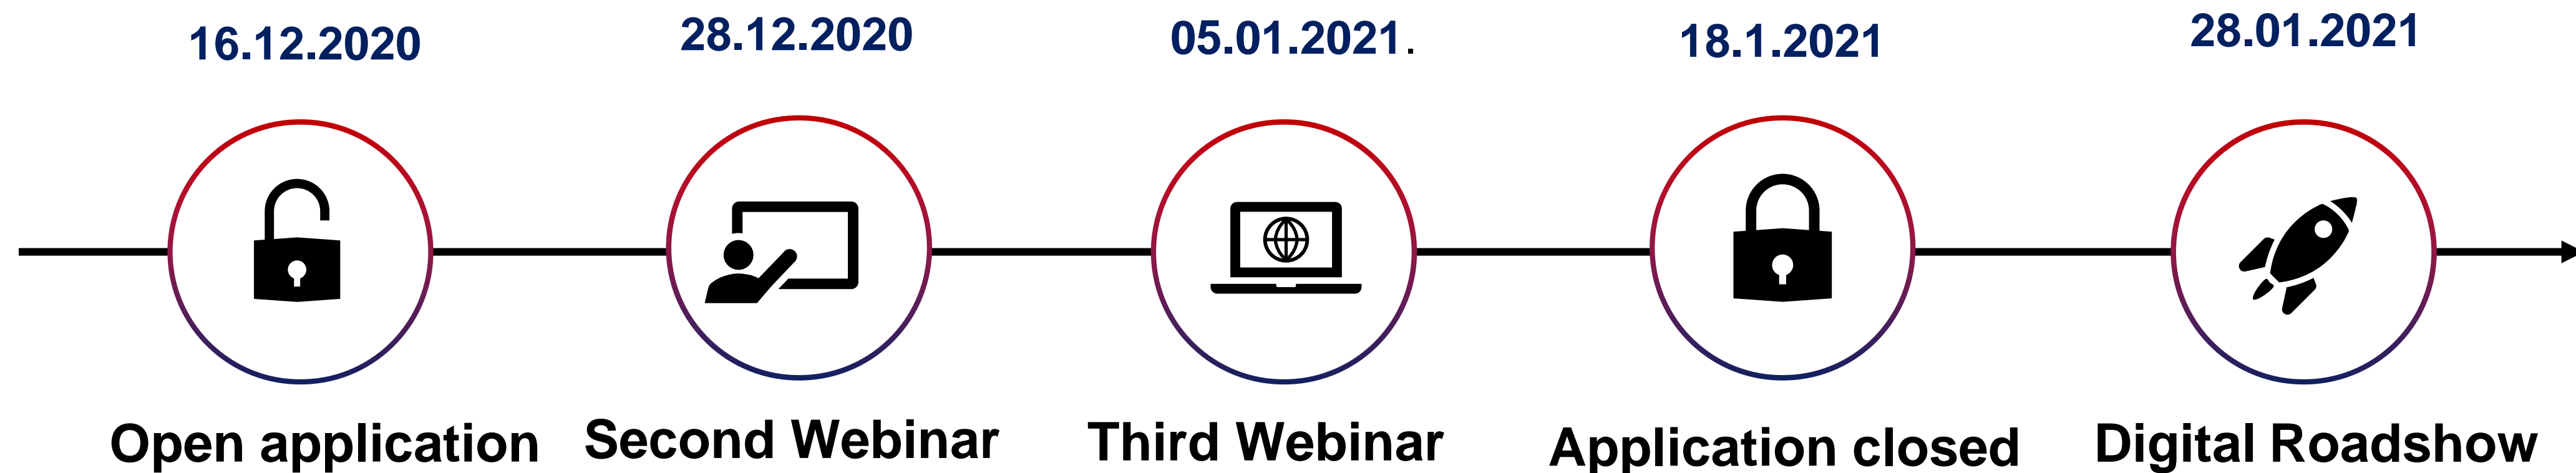

How?

How to apply? Easy!

Send email to info@nihub.com

In the email, provide a quick introduction to your project and a pitch deck with a financial plan regarding China.
