

# Welcome

To a free online workshop, on **February 18th at 10 AM**, held by Mr. Svetislav Kostic, international taxation expert and co-author of the whole range of tax incentives for supporting the knowledge-based, innovative, and digital economy in Serbia.

At this workshop, we will address incentives mechanism that offers 70% lower salary tax and contributions for the employment of repats and foreigners, for 5 yrs. The mechanism will be explained in detail, and all your questions will be answered during this 90-minute workshop.

You can find out more about Serbia as a new tech development hub at <https://innovations.serbiacreates.rs>

**Mr. Svetislav Kostic**  
Prof. at the University of Belgrade |
